McMillan Magnet Center is dedicated to your child's education and needs your help. Students who come to school unprepared are not taking the appropriate measures for a successful class experience. **Please ask your child everyday if they have a pen or pencil, their notebooks, and their agenda before they leave for school. Minimally, everyday, they need those three items.** See the entire supply list below to help prepare your child prior to school. All students will have an assigned locker to keep supplies and personal belongings. There are a number of community organizations who provide items free and there are a number of businesses who charge very little for these supplies. Thank you for your support in the success of your child in every class, every day.

Suggested Supply List:

**8 college-ruled single subject notebooks, *8 two-pocket folders in various colors*

**1 package pens, *1 package pencils*

**1 package markers, *2 boxes Kleenex*

**1 Trapper Keeper/2 1/2 inch 3-ring binder, *1 backpack*

**Agenda (1st agenda will be given to students, replacements will be \$5) We do ask for donations at the beginning of the year to offset some cost and 'thank you' in advance for your donations.*

AGENDAS will be a communication tool between family and school. Please check the agenda every week, if not everyday. PLEASE help encourage and support your child's understanding of responsibility . . for the agenda, other supplies, and their education.
